ABOUT THE CONGREGATION

The Congregation of Franciscan Missionary Brothers was founded by Rev. Bro. Paulus Moritz of Germany in India, in 1901. Since then, the Congregation has devoted itself to the service of humanity through its various schools, colleges, orphanages and technical institutes spread throughout the country. In addition to these institutions in India, the Franciscan Congregation has an impressive presence in many other countries around the world. Germany, Switzerland and The United States of America to name a few.

St. Francis College, Koramangala, Bangalore, is a Minority Christian College managed by the Franciscan Brothers and is nurtured by their principles of moral uprightness, social responsibility and pursuit for excellence. The College is secular in its outlook and students of all religions, castes and communities will find a safe and encouraging space to spread their wings and reach their goals. The college not only pursues academic excellence but also looks to the holistic development of its students.

OUR PURPOSE

OUR VISION

To strive and create a world of abundant opportunities through entrepreneurial skills for building a dynamic and powerful nation.

OUR MISSION

To leverage the potential of students through innovative educational opportunities towards holistic and societal growth.

MESSAGE FROM THE CHAIRMAN

Rev. Br. Mathew

Here at St. Francis College, Koramangala, we strive to provide an environment where holding a high standard in education is paired with both a healthy environment and an enthusiastic college community.

Shaping young, impressionable minds is one of life's biggest challenges. At St. Francis College, Koramangala, we aim to empower our students to grow as individuals with strong open discerning minds, with an international perspective, preparing them to make a mark in the global village - the world has become today.

Our distinctive academic programmes and innovative teaching methodologies encourage students to develop critical-thinking, learn through enquiry and reason, exchange thoughts and ideas, develop ethical and social values, take ownership for their choices and set goals to realize their own unique potential.

Our programs are designed to support individual learning styles and provide students with a rewarding educational experience. We are here to help enrich their learning experience, to provide them with holistic education, and support them in reaching their goals.

MESSAGE FROM THE DIRECTOR

Rev. Br. Antony V. CMSF

At St. Francis College, Koramangala, we have created an environment to enable our students to fulfil their potential while developing into well mannered, well groomed, independent individuals with high self-esteem. We are committed to providing an educational experience that is the richest, most diverse and most exciting in an atmosphere that provides support, encouragement & care for every student.

Our commitment at St. Francis College, Koramangala, is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the twenty first century. We envision high standards and expectations for each of our students in regard to academic performance, co-curricular participations and consequently their evolution into responsible citizens.

MESSAGE FROM THE ASSISTANT DIRECTOR

Rev. Br. Peter

St. Francis College aims to create a supportive and inclusive environment where students are encouraged to explore their potential and achieve their personal best in all aspects of their College life. Students are inspired, encouraged and engaged through authentic learning opportunities that develop their creativity, confidence and resilience and make them independent and ambitious.

We offer a broad curriculum and a range of opportunities for all our students to achieve excellence in academic, creative, social, cultural, sporting and community endeavours. We value collaborative learning, positive relationships and building capacities among our students to effectively allow them to engage in the world of the future, where problem solving, evaluating, teamwork, communicating are not only valued concepts, but expected skills and capabilities.

We value relationships and connections with the community. We encourage our students to develop respectful relationships with their peers, teachers and the broader community. We instil in our students a keen social conscience and the capacity to make ethical decisions. Our students graduate from St. Francis College with the skills, mind sets and qualities that will best equip them for success in the world of the future. We aim to make them future leaders and role models of society.

MESSAGE FROM THE PRINCIPAL

Dr. Subba Rao

Our goal is to engage our students in cutting-edge classroom learning and real-life work projects that will prepare them for global professions and industry environments relevant for their respective programmes.

Keeping in mind the rapidly evolving world around us, we have made sure to design and deliver quality programmes that will enhance subject area knowledge, refine industry-specific expertise and most importantly encourage personal transformation. We are committed to enabling and facilitating a truly exciting and stimulating learning environment, and experiential education to combine creativity, innovation, entrepreneurship and management learning on campus.

We are delighted to have a strong group of in-house faculty who will engage all students in a dynamic and interactive classroom environment. This can be achieved only when we all take on the responsibility of fully engaging in the learning process all the while investing our efforts to be critical and creative thinkers and leaders!

We have launched a series of exciting campus activities, leadership learning events, industry immersion experiences, international collaborations, community engagements, internships, and international initiatives. I ask the students to make the effort to recognize the many great opportunities for education innovations and most importantly make the best of it.

VISIONARY MANAGEMENT

The Management team here at St. Francis College, Koramangala, has spearheaded the process of bringing into light our Institution. Our innovative thinking has helped carve out a niche for ourselves; even though our institution is new our experienced management team has already put our institution on the map as a frontrunner in the education sector.

Our Management is currently looking at teaming up with international institutions and collaborating with companies so that our students receive the best in not just education but an all-round experience that facilitates their holistic growth..

Even though our institution is new our experienced management team has already put our institution on the map as a frontrunner in the education sector.

AVIATION TRAINING PROGRAMME

BBA AVIATION

This degree programme is designed and aimed to meet the Airlines' growing demand for Ground Staff and Cabin Crew. During this course we groom our students with all the skill set they need to flourish in their careers.

IATA (INTERNATIONAL AIR TRANSPORT ASSOCIATION) located in Canada frames rules and regulations and training procedures for Global Aviation.

The IATA training programme will provide in-depth insight about Aviation and a certificate will be issued by IATA Montreal, Canada, after 6 months of training. Most airlines prefer IATA trained candidates for their job roles since IATA trained students meet the airline requirement. St. Francis College, Koramangala is the first in Bangalore which has IATA approval to conduct authorized training programmes on ground handling and cabin crews.

You will be studying

- **Introduction to Airline Industry**
- **Accounting and Management Decisions**
- **Organisational Behaviour**
- **Aviation Security and Safety Management**
- **Aviation Law and Aircraft Rules and Regulations**
- **Logistics and Air Cargo Management**
- **Airport Strategic Planning**

St. Francis College, Koramangala, offers add-on programs with BBA Aviation degree program such as

- **IATA Certification**
- **Pilot Training**
- **Cabin Crew Training**
- **Ground Staff Training**
- **Aircraft Maintenance Engineering**

With these courses our students are set to fly high and never look back. The training programs are highly engaging and we are committed to providing the best for our students.

Eligibility for Admission

Candidates who have completed Two years Pre – University course of Karnataka State or its equivalent are eligible for admission into this course.

ACADEMICS

INTERNATIONAL PROGRAMMES

We invite you to for an experience like no other.

We welcome applications from intellectually ambitious students at colleges and universities all over the world. Competition for places is intense and those who join us describe the experience as unforgettable.

St. Francis College, Koramangala, has partnered with **Talent2Services - International Education Consultancy** to encourage students to explore various career opportunities in Canada.

From a secure environment to a first-rate education system, Canada offers everything you could possibly want from life, from quality education to a high standard of living.

The Canadian education system is rated as one of the best in the world. As a student, you can choose to work part time, helping you gain work experience and lighten the load on your tuition. In addition, the Canadian system allows you to apply for your Permanent Residency (PR) upon completion of your study program and minimum work experience.

Want to be a part of our student program?

Please connect with us at apply@talent2services.com.

Talent²
INTERNATIONAL EDUCATION CONSULTANCY

**STUDY
IN
CANADA**

DISTANCE LEARNING

Our flexible approach offers you a range of study options:

You can study by distance and flexible learning, which allows you to combine your studies with work or other commitments.

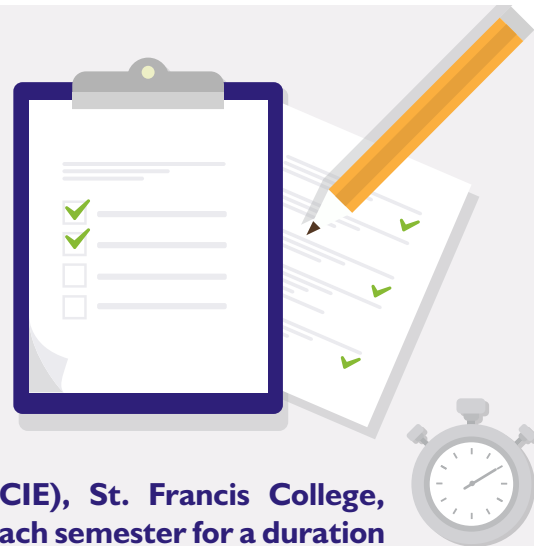

A photograph of several young men playing soccer on a grassy field. They are wearing blue and red sports uniforms. In the background, there is a large, multi-story building with many windows and balconies. The scene is outdoors with some trees and a clear sky.

SPORTS

Getting physically active can help to boost your energy, mental health and even help your academics, with representative and student-run sports activities offered at all levels.

We recognise that the motivation to do sport differs from student to student. Those who wish to compete seriously can join sports teams to represent the college, but there will always be other activities where fun and enjoyment are the primary motivators.

CONTINUOUS INTERNAL EVALUATION (CIE)

As a part of its Continuous Internal Evaluation (CIE), St. Francis College, Koramangala, conducts two internal examinations in each semester for a duration of 90 minutes. These exams are conducted strictly in conformity with the Bangalore Central University pattern (in terms of question papers, evaluation practices, seating arrangements, timetable etc.).

The pass mark for each subject is 40%. To compute the grades, equal weightage is given to both the internal exams. Information with regard to the performance in the CIE is communicated to the parents. After each CIE an 'Open Day' is organised to enable parents/guardians to monitor their ward's progress and performance.

After the exam, Progress Reports indicating the marks and term attendance are dispatched to the parents/guardians. These reports have to be signed and returned to the class mentors during the meet organized. This enables the college as well as the parents/guardians to keep track of the student's growth.

The scheduled dates of the CIE are announced in the college calendar. The time table is announced at least 10 days prior to the commencement of the examination. Attending the CIE is mandatory. Prior permission is required for absentism from internal examinations. In addition to the internal exams, class tests are conducted by the departments for constant evaluation of the students.

ATTENDANCE

30% of the final grade is allotted for internal assessment, in alignment with the norms of Bangalore Central University. The internal assessment grades are based on attendance, tests and seminars/assignments/presentations.

As per the Bangalore Central University norms, 75% attendance in each subject is the minimum requirement for examination eligibility. However, as part of its academic culture, the college makes it mandatory for every student to possess at least 85% of actual attendance in each subject. Students with attendance below the required level will not be permitted to appear for the university examination.

LEARNING MANAGEMENT SYSTEM

The Student ERP is a learning system that brings together students and teachers on an online platform so that the learning and teaching process never stops. The interactive system allows teachers to post assignments and grade papers, continually helping students through their journey to knowledge.

Students can use their registration numbers and passwords to access the site on the internet. They can check their attendance and progress reports, download hall tickets, print progress reports and access course materials through the Learning Management System (LMS).

Enterprise Resource Planning (ERP) is the campus management software to provide online solution for the academic needs of the students. The students and their parents can access this application through web and internet-compatible mobile phones.

RESEARCH AND DEVELOPMENT CELL

The Research and Development Cell of St. Francis College, Koramangala, facilitates and encourages research culture among the faculty and students. Its prime role is to inculcate research skills in students and encourage quality research publications. The R&D cell takes the responsibility of creating a workspace to attract the best talent and strives continuously to pool skills and internal resources and publish quality research papers in leading journals.

Objectives:-

- **Advise and encourage the faculty to carry out research In house and in collaboration with other organisations.**
- **Identify different organisations/Industries to undertake collaborative research on current topics.**
- **Advise and arrange Seminars/Conferences/Workshops.**
- **Promote and encourage interdisciplinary research.**

ACADEMIC SUPPORT

Apart from excellent infrastructure and staff, our college considers the students as top priority and provides them complete support.

Our teachers are always available to address their problems and our administration and management staff readily cater to their needs.

With constant observation we try to accommodate our students' needs as well as furnish the best of facilities for their ease. Extra classes are provided for the students' who require additional help or subject clarification.

INFRASTRUCTURE AND FACILITIES

The campus includes 48 audio-visual enabled classrooms spread across seven floors. The Campus is Wi-Fi enabled for continuous access to the internet. It has well-equipped Laboratories, a seminar room and auditorium for co-curricular and extra-curricular activities.

Staff Cabins are on each floor in the academic block. Parking facilities are available for two-wheelers and four-wheelers inside the campus.

The campus has a canteen on the ground floor and elevators to access all the floors.

Computer Labs

The Computer labs are well equipped with state-of-the-art systems and all major and necessary software needed and used by the students. The lab is internet enabled and is open during and after class hours to meet students' requirements. Lab assistance at all times is also provided.

Seminar Halls

St. Francis College, Koramangala, has two symposium rooms for conferences, conventions and other programs. The rooms are well furnished with overhead projectors, audio-visual systems and comfortable seating.

Library

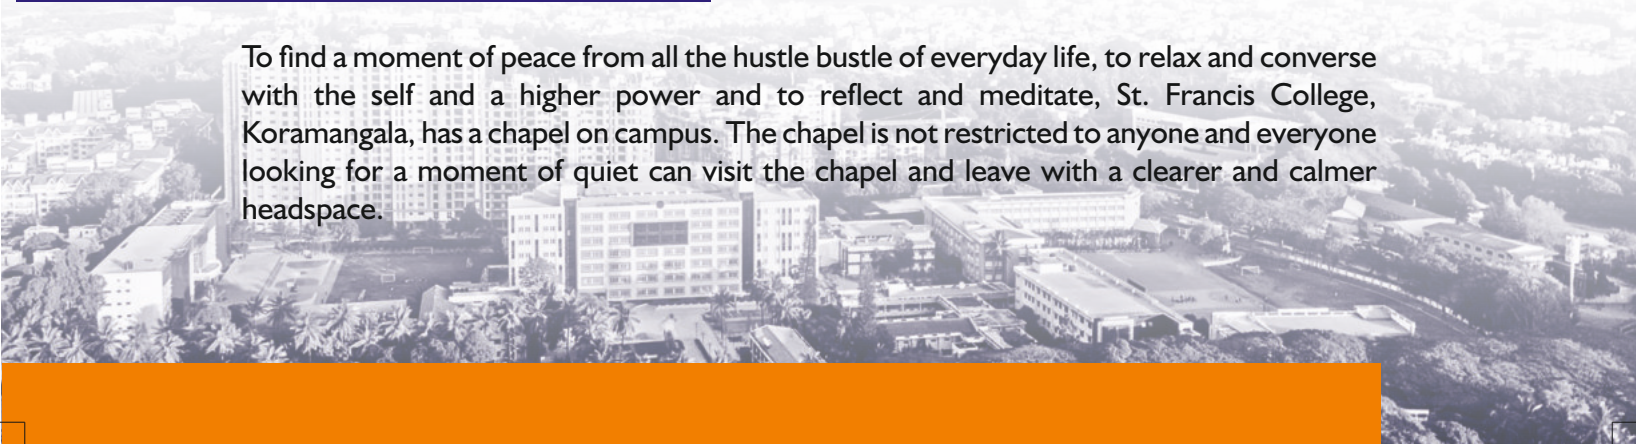

The Library at St. Francis College, Koramangala, is stocked with all new edition books to keep the students updated on current knowledge. An e-library is set up so that our students can access our collection from their computers; this is to keep with the times as learning needs to be fast and efficient. Two student reading rooms are also present on campus.

Reprographic Centre

A Reprographic Centre is situated on the ground floor of the building. The centre caters to all stationery requirements of the students along with other services like photocopying, scanning, colour printing and binding.

Chapel / Meditation Room

To find a moment of peace from all the hustle bustle of everyday life, to relax and converse with the self and a higher power and to reflect and meditate, St. Francis College, Koramangala, has a chapel on campus. The chapel is not restricted to anyone and everyone looking for a moment of quiet can visit the chapel and leave with a clearer and calmer headspace.

OUR TEACHING FACULTY

The faculty members of St. Francis College not only possess the required scholarly expertise, but also have a strong sense of passion and commitment to teaching. The focus of all their efforts is the student. To engage the students, they use a wide variety of innovative methods to supplement their classroom lectures facilitating and maximizing the learning ability of the students through case studies, student seminars presentations, quizzes, projects and assignments, special problem solving sessions, books and film reviews, field trips, ICT enabled learning, guest lectures, role play, discussions, debates, class tests, Mid Semester Exams (MSE) and End Semester Exams (ESE).

Our teachers believe that knowledge comes from all around and not just the books. This infuses in them a deeper understanding of the students and their specific needs, thus tailoring their coaching to the demands of the corporate sector whilst igniting the Entrepreneurial spirit.

Anti-Ragging Policy

The Anti-Ragging cell on campus collects a written and signed affidavit from all students and their parents/guardians at the time of admission. The Committee keeps itself alert to any instances of ragging. It is the responsibility of the Committee to ensure prompt action if and when there is a case of ragging.

Students who have complaints must not involve in any form of the agitation, strike, grouping inside the campus, destruction of property and disturbance of classes to put up their demands. Disciplinary or legal actions will be taken against students who involve in the same.

However, if the students have grievances pertaining to ragging, insulting and abuse they have to bring it to the notice of the committee, and effective action will be taken.

Ragging in any form is taken as a serious offence in the college; legal and severe action will be taken to stop the offenders.

Students Grievance Redressal Cell

The grievance cell aims at solving student problems and maintaining order and harmony in the college campus. Students undergoing trauma, harassment or any bullying are encouraged to report their grievances immediately. The college protects the human rights of all its students giving them freedom and autonomy to shape their lives.

The grievance cell looks to clearing the path for its students who are hindered by troubles caused by various circumstances.

Student Outreach Programs

To make the students socially responsible and accountable to the society, St. Francis College, Koramangala, encourages and drives the students to be communally aware and work with the community in close proximity.

Students of St. Francis College, Koramangala, hand in hand with students from other prestigious colleges participated in the Polio Eradication Drive organised by Rotary International, WHO (World Health Organisation) and Bill and Melinda Gates Foundation and UNICEF. Our students dedicated their time and effort one Sunday to administer polio drops to children in the neighbouring villages. Our stance of moulding socially responsible and collectively happier adults of tomorrow has taken a kick start with this Polio Eradication Campaign.

Students play an important role in society as catalysts of change. As a college, we consider it our responsibility to adopt a holistic perspective on the dynamics of education and make it more effective. We seek to adopt several initiatives to increase students' awareness of their social conditions at an early stage. By giving them opportunities to contribute positively to their environment, we encourage qualities of responsibility, thought leadership, determination and empathy. These aspects play a key role in helping students to progress to a higher stage of life by actualizing their full potential and triggering societal change.

Student Council

A student council is present in a representative structure through which the students can become involved in the affairs of the college, working in partnership with the management and staff for the benefit of the college and themselves.

Students who are part of the council have responsibilities towards their peers and the institution. The council members take grievances of their fellow students, and along with the college authorities find a quick and sustainable solution that furthers the growth of the institution as a whole.

The student council oversees the smooth running of the institute's Annual Day function every year and in doing so puts the institutions best foot forward in the presence of other colleges.

- It is mandatory for the students to wear their ID cards in the college campus.
- The college insists on punctuality and regularity in attendance.
- Students should not involve in undisciplined behaviour inside college campus. Students found guilty of the same will be rusticated from the college with immediate effect.
- Ragging is a criminal offense leading to non-bailable arrest, and the college frowns upon any incident that involves ragging. Any student involving in any form of physical and mental ragging of other students in the college will be rusticated from the college immediately with legal action.
- Students will be allowed to leave the campus during working hours only after a gate pass is issued to them by the Principal/Dean.
- The college dress code should be strictly adhered to vis a vis uniforms, footwear, haircut etc.
- Students must attend training sessions, seminars, value added programs, soft skill training, corporate training and campus interviews arranged by the college.
- Students must switch off their mobile phones during class hours.
- Leave letters signed by parents/guardians must be presented by the students in case of absence for more than one day.
- The college campus is strictly reserved for students and staff, and students are not allowed to bring any outsiders/friends/relatives to the college without prior permission from college authorities.
- Damage to college property, however small, will not be overlooked. Students / parents would have to bear the expenses of the damage caused.
- Change in address/phone number should be brought to the notice of the college administration so as to keep the student files updated at all times.

CAREER GUIDANCE AND INTERNSHIP PROGRAMS

Career guidance at St. Francis College, Koramangala, facilitates students towards readiness and helps them explore the world of employment. The college takes initiatives to explore new career avenues for the students by organising company visits and professional seminars. Training the students to prepare them for the career of their choice is the college's primary focus. The institution offers career planning sessions and career counselling where students get an insight into the path that they are choosing.

In a path breaking initiative to empower students and to build in them the will of self-sustenance the college launched its one of a kind internship program for first year students. The industry exposure from the very first year of college brings about confidence, courage and alignment to corporate work culture. This idea of the college sets it apart and is sure to catapult the institution among its counterparts.

The initiative increases the employability of our students as they not only focus on academics but also understand the work force and current economic situation of the country. Over 105 leading companies and NGO's descended at the campus for a unique interactive event to offer internships to our students. Top recruiters included, The Bangalore Chamber of Industry and Commerce, Decathlon, VLCC and many others.

Our Director, Rev. Br. Sayimon said, "It was my vision to address the employability issue that students currently face across India. Through our internship program, we are among the first colleges in the country to bridge the industry-academia gap. We have given all 400 of our students from across India a big boost, to be more confident as well as enhance their readiness for the corporate world. Our first semester students are now better prepared to understand the nuances of the corporate world and interpret the business scenario."

WOMEN'S CLUB

The women's cell looks to empowering women and giving equal opportunities to everyone in the community of St. Francis College, Koramangala.

The cell is established to promote awareness and self-confidence in women, to create awareness about women welfare laws, to assert the importance of spiritual, economic, social, racial and gender equality.

The women's cell looks into health and hygiene aspects and conducts women specific health campaigns and workshops to educate the women about its importance and relevance. Helping those in need inform themselves about the importance of the same.

St. Francis College, Koramangala, wishes to build sensitivity to women's issues. The cell conducts programmes on the topics such as women's rights, discrimination and empowerment for the benefit of the female students and women in the surrounding community. The cell also deals with women's grievances, promotes gender equality, respect for women and women entrepreneurship.

CELEBRATING WOMEN'S Day

WOMEN'S DAY CELEBRATION AT ST. FRANCIS COLLEGE

Indeed! 'An Equal World is an Enabled World'. St. Francis College celebrated Women's Day 2020 with great fervour.

Prof. Dr. Edmund Frank Dean, PGDBM, St. Aloysius College (Autonomous) Mangalore, Dr. Roma Francis, Naturopath Roma's House of Herbs, Ms. Lavanya Pachisia, Vice President - Finance, Zivame and Ms. Shubha Sriram, Mrs India 2016 were the honorary guests.

'Equal World is an Enabled World' - A Panel discussion on this theme moderated by Ms. Sameera Fernandes - Director Strategy & Planning, Dean St. Francis College was the highlight of the event. Women Empowerment, equal opportunities and role of women in societal growth were the key areas addressed in the discussion.

Brother Sayimon, Provincial & Director - St. Francis Institutions presided over the event and enthusiastically participated in the panel discussion.

NATIONAL SERVICE SCHEME

Launched on Mahatma Gandhi's Birth Centenary year 1969, as a student youth service programme, National Service Scheme (NSS) aims at evoking social consciousness in the youth of today with an overall objective of personality development of the students through community service.

The main objectives of National Service Scheme (NSS) are:

- **Understanding the community in which one works and in turn understanding oneself in relation to their community.**
- **Identifying the needs and problems of the community and involving oneself in problem-solving.**
- **Developing a sense of social and civic responsibility.**
- **Utilising knowledge to find practical solutions to individual and community problems.**
- **Developing competence required for community living and sharing of responsibilities and gaining skills in mobilizing community participation.**
- **Acquiring leadership qualities and taking initiative to meet the needs of people during emergencies and natural disasters thus practicing national integration and social harmony.**

The motto of the NSS "Not Me but You," reflects the essence of democratic living and upholds the need for selfless service. NSS helps the students develop appreciation and understanding of the other person's point of view and also shows consideration and care to all living beings. The philosophy of the NSS is well explained in its motto, which underlines the belief that the welfare of an individual is ultimately dependent on the welfare of the society and therefore, NSS volunteers must strive for the well-being of the society.

NATIONAL CADET CORPS

The National Cadet Corps (NCC) is the Indian Military Cadet Corps with its Headquarters in New Delhi. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and universities all over India. NCC Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference during selections based on their achievements in the corps.

Motto of NCC

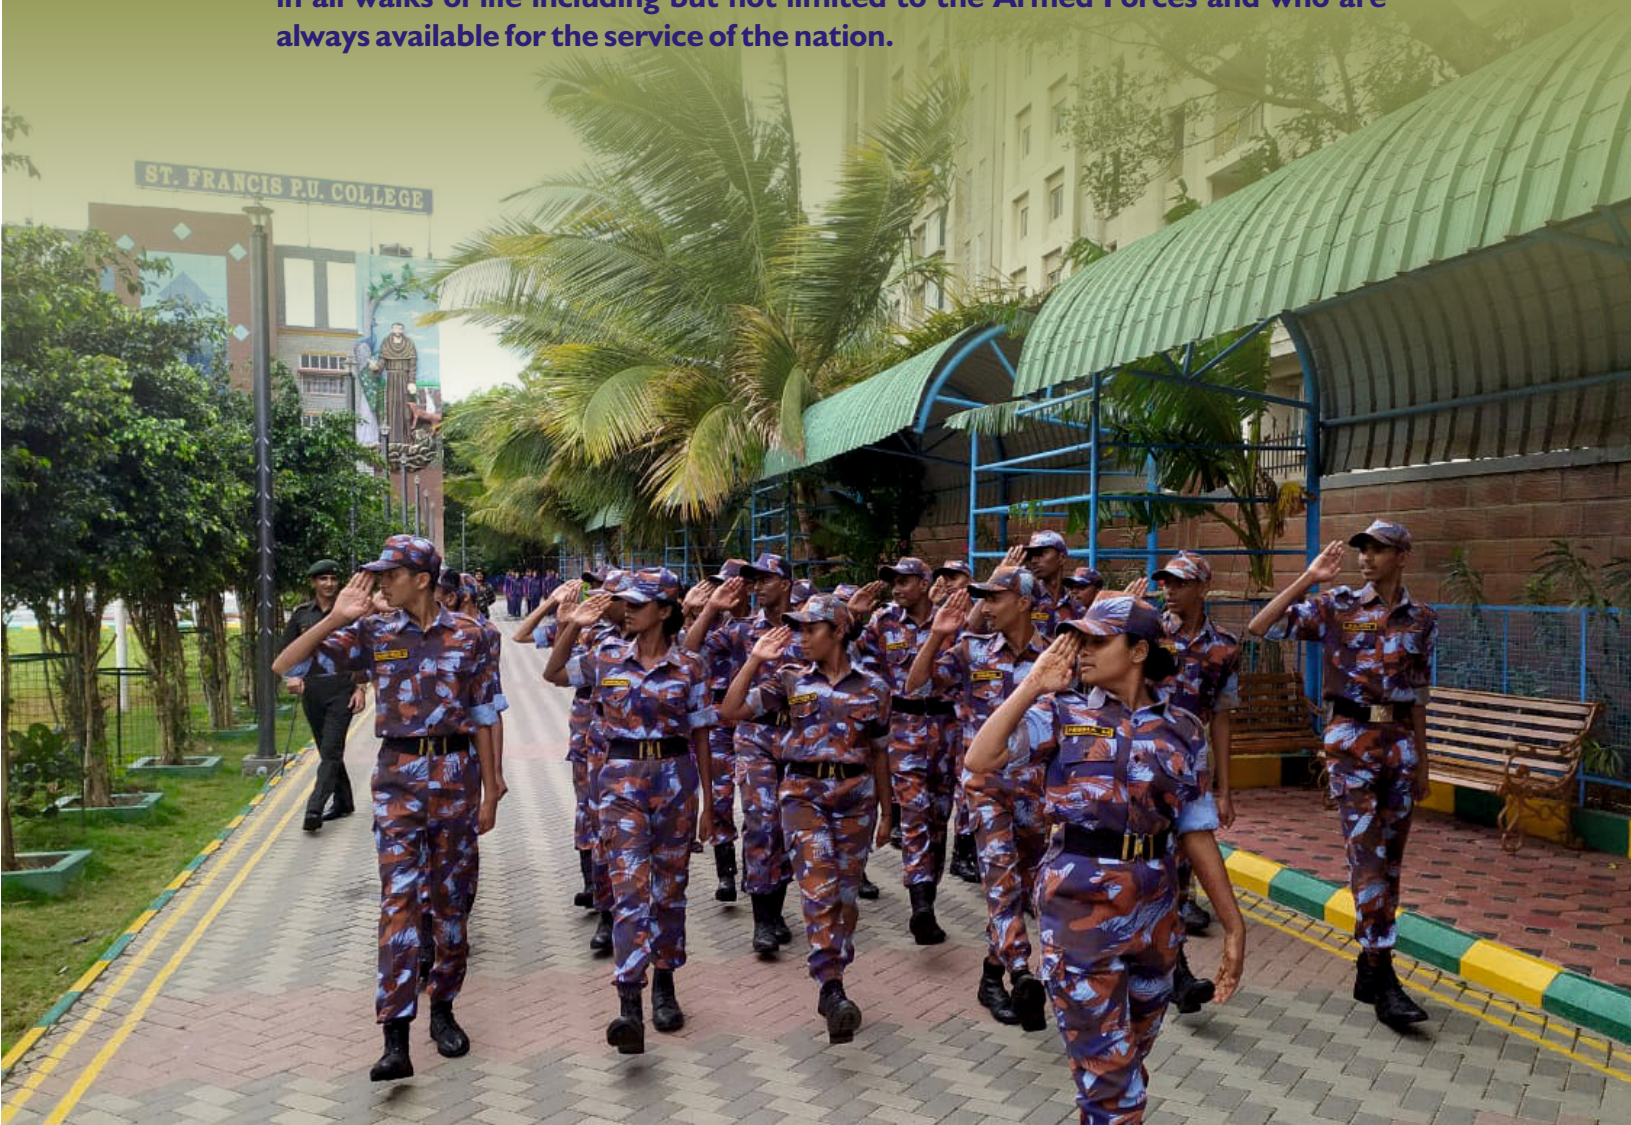

‘Ekta aur Anushasan’ (Unity and Discipline)

The four cardinal principals of discipline

1. Obey with a smile
2. Be Punctual
3. Work hard without protest
4. Make no excuses and tell no lies

Aims of the NCC

- **To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure, sportsmanship and the ideals of selfless service among the youth to make them useful citizens.**
- **To create a force of organised trained and motivated youth who become leaders in all walks of life including but not limited to the Armed Forces and who are always available for the service of the nation.**

CLUBS AND ACTIVITIES

St. Francis College, Koramangala, offers a vast variety of clubs and associations for its students. They are free to take their pick from the lot, based on their ideas and interests. Associations and clubs promote the growth of the students and help them branch out, so that they not only follow the academic path but also their passion.

Enigma

The Mathematics and Statistics Club is for the lovers of numbers; it provides a space for logical and critical thinking and having fun with the magic of mathematics. The club organises guest lectures, quizzes and various events throughout the academic year.

Chinnudi

The Kannada Sangha Club was launched by the Kannada language department. The club promotes Kannada not only as a language but as a culture, giving recognition to its literature, music and movies. It also encourages non-native speakers to learn and embrace the language with initiatives like 'Kannada Day' celebrations and innovative programs.

Arthashastra

This Economics Club was established for students who enjoy learning and understanding the working of the economy of a country. The Club is headed by the Department of Economics. It creates awareness on the current economic conditions and economic operations of the country. The Club organises Debates, Quizzes and Essay writing competitions on relevant topics.

The Muses

The club for the English enthusiasts and the literary intellectuals focuses on great works and literary gems and also encourages new works and creative pieces written by students. The club organises poetry readings, book reviews and many other fun and intriguing activities.

ImpeTus

An IT club for the thinkers and the innovators; for those who think out of the box and dream of advancing in the technology driven society we live in. To tickle the technical skills of the students, events such as coding contests, debugging contests, web site development, interface designing are organised.

Sattva

Psychology club Sattva for students to enhance the organizing capacity, to raise the awareness about the psychology field and to promote creativity & scientific temper. The club organizes psychology exhibition, workshops, field visits etc.. and many other innovative activities.

CLUBS AND ACTIVITIES

Tycoon

The Management club looks to creating leaders of tomorrow by letting the students hone their skills in leadership and administration. The club encourages students to cultivate an environment in which education goes beyond the confines of the classrooms. The Club contributes to the growth of the students in various ways such as giving them the skills to organize various events and lead initiatives which helps develop their skills and deal with various responsibilities in the business world.

Christian Student Association (CSA)

The CSA club brings together like-minded Christians into a safe space to talk and share their beliefs with each other. Events such as praise and worship, outreach programs, bible quizzes and the organising of the annual St. Francis feast is undertaken by the CSA.

Gazetar

The Journalism Club for those that look to spread and communicate information. Overseen by the Journalism department, the club is responsible for events such as debates and discussion, news reading, photography, short film making and viewing, radio jockeying, advertising, reporting and show hosting. The club aims to spreading truthful and reliable information that can bring about change in the society we live in.

Vanijya

St. Francis' commerce club encompasses all the students from all the major streams of the commerce department. The club strives for the development and enhancement of knowledge of students to make them competitive and bring out confidence in them through business activities. It puts a fun take on education and makes learning fun and enjoyable.

Prarambh

Institutional Social Responsibility Club (ISR) looks to implement welfare programmes for the benefit of the student community, the staff and the society, to optimise the utilization of college resources by reducing wastage and encouraging recycling etc..

Srijan

The purpose of the Hindi-Club is to enhance the creativity of our scholars. The Club allows scholars to create their own speeches, nukkad-natak, and plays, compose poetry and also write essays to express their thoughts and feelings. Nukkad-Natak is also an integral part of the Hindi Club where scholars are not only being made aware of important social issues but they are encouraged to take on the responsibility of spreading its awareness. The Club will also conducts activities like debates and extempore to develop thinking and analysing skills in our scholars.

STUDENT TESTIMONIALS

P Steven Lyle Jyothi

Strong Connections with the Corporate World

St. Francis College is a place where you can find an amalgamation of learning, fun, culture, lore, literature and many such life preaching activities. I am thankful to the strong focus they provide on Internships and Corporate exposure which also in turn provides a platform to enhance my skills and an opportunity to showcase them. I have gained tremendous knowledge during the first year itself and it has helped in my holistic growth and development.

Niveditha

Holistic Development

The balance between academic learning, social engagement and cultural insights has allowed us to experience the world around us in-depth, enriching our knowledge and also allowing us to witness the authenticity of life from both an academic, cultural and corporate perspective.

Shaikh Saqlain

Enriching Experience Overall

The teachers are great and the interactive atmosphere is particularly impressive. I love the insightful academic environment and the exposure to both local and international perspectives which has made it an enriching experience overall.

Sunitha V

Learning Never Stops!

Everyone gets to learn from each other – not only from our well experienced faculty but from everyone in the class. This has broadened my horizons and allowed me to learn new skills by spending time with people from all over the country.

Rakshith B N

Innovative Pedagogy

Our teaching faculty come from diverse backgrounds and share a wealth of knowledge and experience covering different facets of learning be it academics, cultural, personality development and more. Classes are engaging and interactive with scope for enriching our creative abilities and making us exceptional thinkers.

Rincy Mary Gomes

Promoting Cultural Exchange

We are encouraged to participate in cultural programmes in colleges across the city. The College further provides us with an environment which nurtures our inherent creative skills. This has helped me become a confident individual ready to face the challenges of the future. It has also transformed my outlook and made me an outgoing, friendlier and proactive person.

Sanjay S

State-of-the-art Infrastructure

Entering our college gives me a feeling of pride. The entire campus is well maintained and equipped with amenities that promote development and growth. The reading rooms, the computer labs, the well-stocked library, the quadrangle, the auditorium, the dedicated sports and gym arena, the music room, the spacious canteen – all promote not only a conducive learning environment, but also encourage healthy interactions.

Ashwati Francis

Visionary Management

Here at St. Francis College I have the liberty to follow my passion as well as shape my career. I do not have to worry much as our institutions' visionary management takes us under its wings. All our needs and wants are catered to and with amazing initiatives that are undertaken by the college, we as students get to open our minds and strive for our goals.

Mihir Sachdev

Location, Location, Location

With St. Francis College nestled in the heart of the city, we are in proximity to all that happens around us. Easy access to public transport, the buzz and the happenings, make me feel at the centre of all opportunities. Even though we are close to everything, the campus still feels like an oasis where we can relax and continue our journey to success.

Keethana

A world of Tomorrows

With the new student internship programme, we as students are exposed to a world of abundant opportunities. Corporate exposure and hands-on work experience besides academics prepares us for never ending possibilities.

Gokul Reddy

National Consciousness

For those of us who look to be more socially and civically responsible, the National Cadet Corps (NCC) programme in the Institution pushes us to be more accountable and be responsible citizens. Here we are equipped with the values of empathy, discipline and loyalty towards our country and respect to those serving the nation and fellow citizens.

Stephy Varghese

Striving for Positive Change

Our teachers tirelessly strive to connect with us, motivate us and bring out the best in all of us. They are present at all times and encourage us constantly. They are our mentors and are always there for us.

Mithun Gowda

Actively Sporty

St. Francis College encourages well rounded growth and development. Being an athlete, the choice of sports offered here are numerous. I am constantly engaged with sports events and inter-college competitions and the team spirit and team work gives me an adrenaline rush.

EVENTS AND PROGRAMS

Meet and Greet with Dr. Shashi Tharoor

Dr. Shashi Tharoor is an Indian politician, writer and a former international diplomat serving as Member of Parliament, Lok Sabha from Thiruvananthapuram, Kerala, since 2009. He was formerly Under-Secretary General of the United Nations, and contested for the post of Secretary-General in 2006.

He also serves as Chairman of the Parliamentary Standing Committee on Information Technology and All India Professionals Congress. He had formerly served as the Chairman of Parliamentary Standing Committee on External Affairs (2014 to 2019). In the year 2019, Dr. Shashi Tharoor received the Sahitya Academy Award for his book 'An Era of Darkness' in the non-fiction category in English language.

Our College was proud to sponsor and be part of the IBrowse Book Club featuring Dr. Tharoor's new book, 'The New World Disorder and The Indian Imperative'. The discussion initiated by Dr. Tharoor was moderated by the Director - Strategy & Planning and Dean of Academic Affairs, Sameera Fernandes making it lively and interesting. "India matters to me and I would like to matter to India" this stand of Dr. Shashi Tharoor on the current situation in India also resonates with our ideologies and stance. While in conversation with Dr. Tharoor, our college was proud to present to him a memento from the institution and in return were presented a signed copy of his book.

EVENTS AND PROGRAMS

Talking Education with N. Santosh Hegde

Dr. Nitte Santosh Hegde is a former judge of the Supreme Court of India, former Solicitor General of India and a Lokayukta Official for the State of Karnataka from 2006-2011.

St. Francis College, Koramangala, organised a lively and enlightened discussion with Mr. Hedge on areas beyond education. The initiative also saw Mr. Hedge along with K. Mathai Kas, Special Land Acquisition Officer from the Bengaluru Development Authority and Dr. Sr. Annamma Philip, Xavier Board, head into an informative discussion on education, the responsibilities of educators, its constraints as well as its liberties.

INTRODUCES UNIQUE INITIATIVE TO EMPOWER STUDENTS

Bro. Antony V
Director
St. Francis College

Prof. Japhet
Vice Chancellor, Bangalore
City University

Bro. Peter P
Asst. Director
St. Francis College

Just within a few months of its inception, St Francis College, Koramangala launched a one-of-its-kind internship program for its first-year students, to give them an opportunity to be a part of the professional environment during their course.

This trailblazing initiative is sure to catapult St Francis College's position as a thought leader among institutions. Since academia and industry are two important pillars of our economy, robust collaboration between the two will enable growth in the education system and produce an employment-ready workforce.

"At a time when India is grappling with the lack of the skilled workforce, it is encouraging to see how St Francis College is grooming candidates with hands-on exposure. I congratulate the institution for taking up the task to bridge the industry-academia gap. This internship program is sure to serve as a model to be emulated across other universities as well. Initiatives such as this will be key to realizing our government's vision to drive employment", said **Prof Japhet, Vice-Chancellor, Bengaluru Central University.**

The top recruiters included the Bangalore Chamber of Industry and Commerce (BCIC), Decathlon, VLCC, Zivame, Tripvillas, Ingo Electric, Eat Raja, Datacor Informatics, I am here App, JBrown, Life VR, Integro, Nightingales Medical Trust, Little Sisters of the Poor, Dream India Network and many more. While the minimum period of internship was 2 weeks, the maximum extended upto 6 months. The students continue to work at some of these places post 3pm on weekdays and on weekends as well.

EDUCATIONAL VISITS

VISIT TO ADITYA BIRLA

The only source of knowledge is experience. The students of BBA department went on an industrial visit to Aditya Birla to learn about the retail industry and how the supply chain and logistical framework sets the company as a forerunner in the industry.

VISIT TO SALEM AIRPORT

To obtain insights about the airport functions, the emergency operations and traffic control, the students of BBA Aviation visited the Salem Airport. They had a first-hand experience of the airport procedures and functioning. It was a truly insightful experience for the students as they gained in-depth knowledge which will be valuable in their careers.

CURRICULUM ORIENTATION PROGRAMME

St. Francis College took the initiative of organizing the 'Curriculum Orientation Programme' for 2nd Semester B.Com subjects, Bangalore Central University on 11th February, 2020. The programme was conducted with the objective of discussing the 2019-20 commerce curriculum and addressing the queries related to the different subjects taught in the 2nd semester. The event was attended by the faculty members from the BCU affiliate colleges.

'Curriculum Orientation Programme' was inaugurated by Prof. Ramesh B - Registrar (Eval) Bangalore Central University (BCU), Dr. M Muniraju - Dean & Chairman, Post Graduate Department of Commerce, BCU and Prof. Eresi - Former Dean & Chairman, Post Graduate Department of Commerce, Bangalore University. The pre-lunch session included the inauguration function and the key note address entitled 'Changing Dimension of Commerce Education in 21st Century' by Prof. Eresi. The post-lunch session comprised of discussions on syllabus, query address and valedictory function.

The function was presided by Rev. Bro. Sayimon - Director & Provincial, St. Francis Institutions.

Leveling Up – Driving Business Growth

The Bangalore Chamber of Industry and Commerce (BCIC) in association with St. Francis College, Koramangala, organized a session on Reshaping the future with thought leaders from diverse sectors of the business world on the 13th of March 2020.

The initiative presented a platform for captions of industries to get together and share ideas for success and provide a new momentum to those caught up in the web of economic slowdown and distress. Panel discussions centered around “Driving Growth: Innovation and Partnerships” and “Future Ready Organization” with sharing insights into diverse realms of industry and also mantras for success.

ERADICATE POLIO FOREVER

A polio eradication drive to ensure the next generation stands tall. St. Francis College seals its position as a change maker in society.

Polio is one of the most feared diseases worldwide, it affects children and leaves them paralysed. It strikes the marginalised communities of India. On the occasion of National Immunisation Day, 19th January 2020, student volunteers from St. Francis College, Koramangala, Bangalore, joined hands with their peers from other reputed institutions across the city, in a mission to “End Polio Forever.”

The Polio Eradication Drive is being conducted by Rotary International, in association with WHO, Bill & Melinda Gates Foundation and UNICEF to increase their social consciousness about this disease. 500 students from institutions like St. Francis College, St. Joseph's Institute of Management, Mount Carmel College, Christ College, Loyola College, Jyoti Nivas, RV College of Engineering and Ramaiah College participated in this event.

The launch of the Polio Eradication Drive was held on 17th January 2020 with guests, Ramalinga Reddy, MLA-BTM Constituency and Former Home Minister of Karnataka, Soumya Reddy, MLA-Jayanagar Constituency, Dr. Shivakumar, BBMP and Rtn. Prasad Sundaram of Rotary District 3190. After the inaugural session, the volunteers were given an in-depth training and equipped with practical knowledge, by Rotaract Bangalore Brigades NxtGn, to ensure responsible participation.

Commending the student volunteers, Ramalinga Reddy said, ‘As leaders of the society, we need to work determinedly to control Polio and eradicate the contagious virus, which primarily affects young children and causes paralysis.’

ADMIN STAFF

OUR NON - TEACHING FACULTY

Thank you for being a true embodiment of professionalism and bringing your best to work day after day. As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them.

We are thankful to having employees like you who never shirk responsibility. It's important to find people you can count on. You are one of those reliable employees. Thanks for all your hard work.

HOUSE KEEPING STAFF

ST. FRANCIS COLLEGE
