

Internship

Internships are an opportunity to network with great people and sharpen your skills before entering the workforce. They also help tremendously with figuring out your true passion. Companies often look at them as a way to gain experience and exposure to make a smooth transition into your role when hired. Students at St. Francis College are required to complete two internships, one in a corporate setting for one month and the other in a non-profit organisation for one week.

Pre-Placement training

To enhance the conversion rate, the employability program is organized through a Pre-Placement Training Program. The Pre-Placement Training Program offered by St. Francis is for a duration of 42 hours, and consists of a complete package required to face campus recruitment drive and come out with flying colours. The different areas of the training are:

- Quantitative aptitude
- Logical and analytical reasoning
- Language skills (Written)
- Communication and presentation skills
- Adaptability skills
- Decisiveness, negotiation and conflict resolution
- Group discussion
- Personal interview
- Email and telephone etiquette

Career and Placement

The College believes that connecting education and the corporate is an important motivator for undergraduate and postgraduate students who are pursuing their education. The Office of Student Placement and Skills Enhancement works primarily to expose our students to the world of employment/entrepreneurship and to introduce them to new career opportunities for the greater good of self and the world.

- Placement Percentage : 91%
- Highest Package : 12 LPA
- Average Package : 4 LPA
