REPORT ON CODE-E-TRICKZ

Date—29th July, 2022

Venue: Room No-504

Conducted By: MCA

Attended By: MCA Students

Organized By: Department of Master of Computer Applications

Code-O-Trickzz is a competition for passionate Students. Every student who has crossed skill levels beyond the "hello world" phase, has learnt to fear those mysterious fiends called bugs. Code-O-Trickzz challenges the ability of a student's not just writing pages of codes but also the forte to debug them and to find the output of the program.

Can you spot a bug like the eagle does a mouse? Why doubt when you can find out!

Rules

1. It will consist of objective type questions testing basic programming skills.
2. It will be of one hour duration.
3. Use of calculators, mobile phone and any other electronic/other gadgets is strictly prohibited.
4. Students will be given blank sheets to submit their answers.
5. The anti-buggies can register themselves before 25th August 2022 for the event.
