Session on Skill Development – Success Starts with You

Date: 3/8/2022

Resource Person: Mr .Mohammed Younus–Soft skill Trainer and Career Catalyst

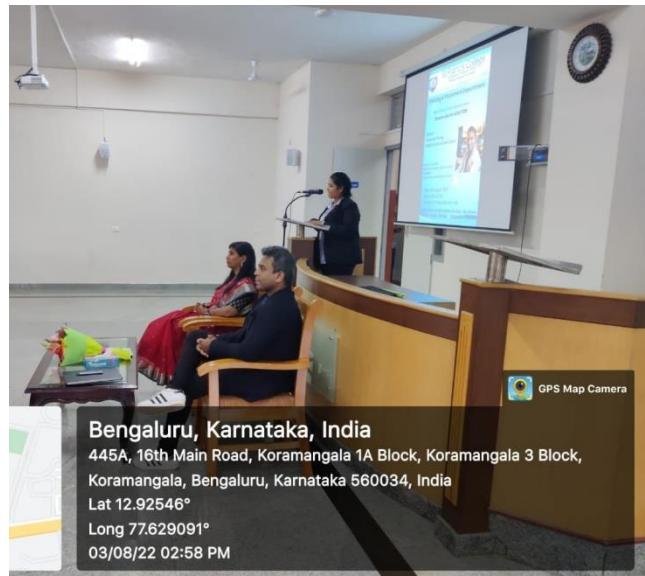

Participants: MBA & MCA Students

Report Submitted by: Ms.Smitha Koshy

Objective: To identify the significance of knowledge and skills and ways to enhance them that help in personal and career development.

To begin with, the program opened with the welcome speech given by Ms G K Swathi (MBA), welcoming the guest speaker and the gathering, followed by Ms Divya G(MBA) who introduced the speaker of the event and set the stage for **Mr Mohammed Younus** to takeover.

The speaker began the event with his vibrant and charming introduction. Once the speaker had captured the audience's attention he began the workshop. The speaker spoke about how knowledge and skills will enrich an individual's mind and enhance his capabilities. The speaker uses his comical sense to make the session engaging. He also explained how students can primarily focus on the skills that they already possess and polish them to make it more refined to the corporate world. The speaker gave his own personal experiences to connect with the audience. The speaker ended the session with answering to students queries. To conclude the session was very effective as the speaker kept it simple and active with real world scenarios.
